

**BUILDING A  
SUSTAINABLE FUTURE,  
ONE BLOCK AT A TIME.**

Lisa Hasselwander - Maja Pham - Marc Principato

# //THE EVIDENCE FOR RAPID CLIMATE CHANGE IS COMPELLING//

//01

**GLACIERS  
ARE MELTING.**

//02

**EXTREME EVENTS  
ARE INCREASING.**

//03

**TEMPERATURE  
IS RISING.**

A photograph of a dense forest, likely a tropical rainforest, with thick smoke rising from the trees, suggesting a fire. The smoke is thick and white, partially obscuring the green foliage. The sky is a hazy, light orange-brown color. The text "IT'S TIME TO ACT." is overlaid in the bottom right corner in a bold, white, sans-serif font.

**IT'S  
TIME  
TO ACT.**

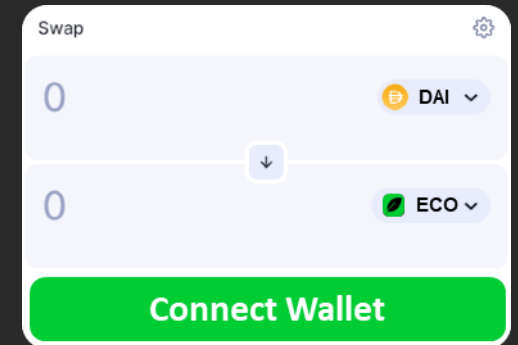

WELCOME TO

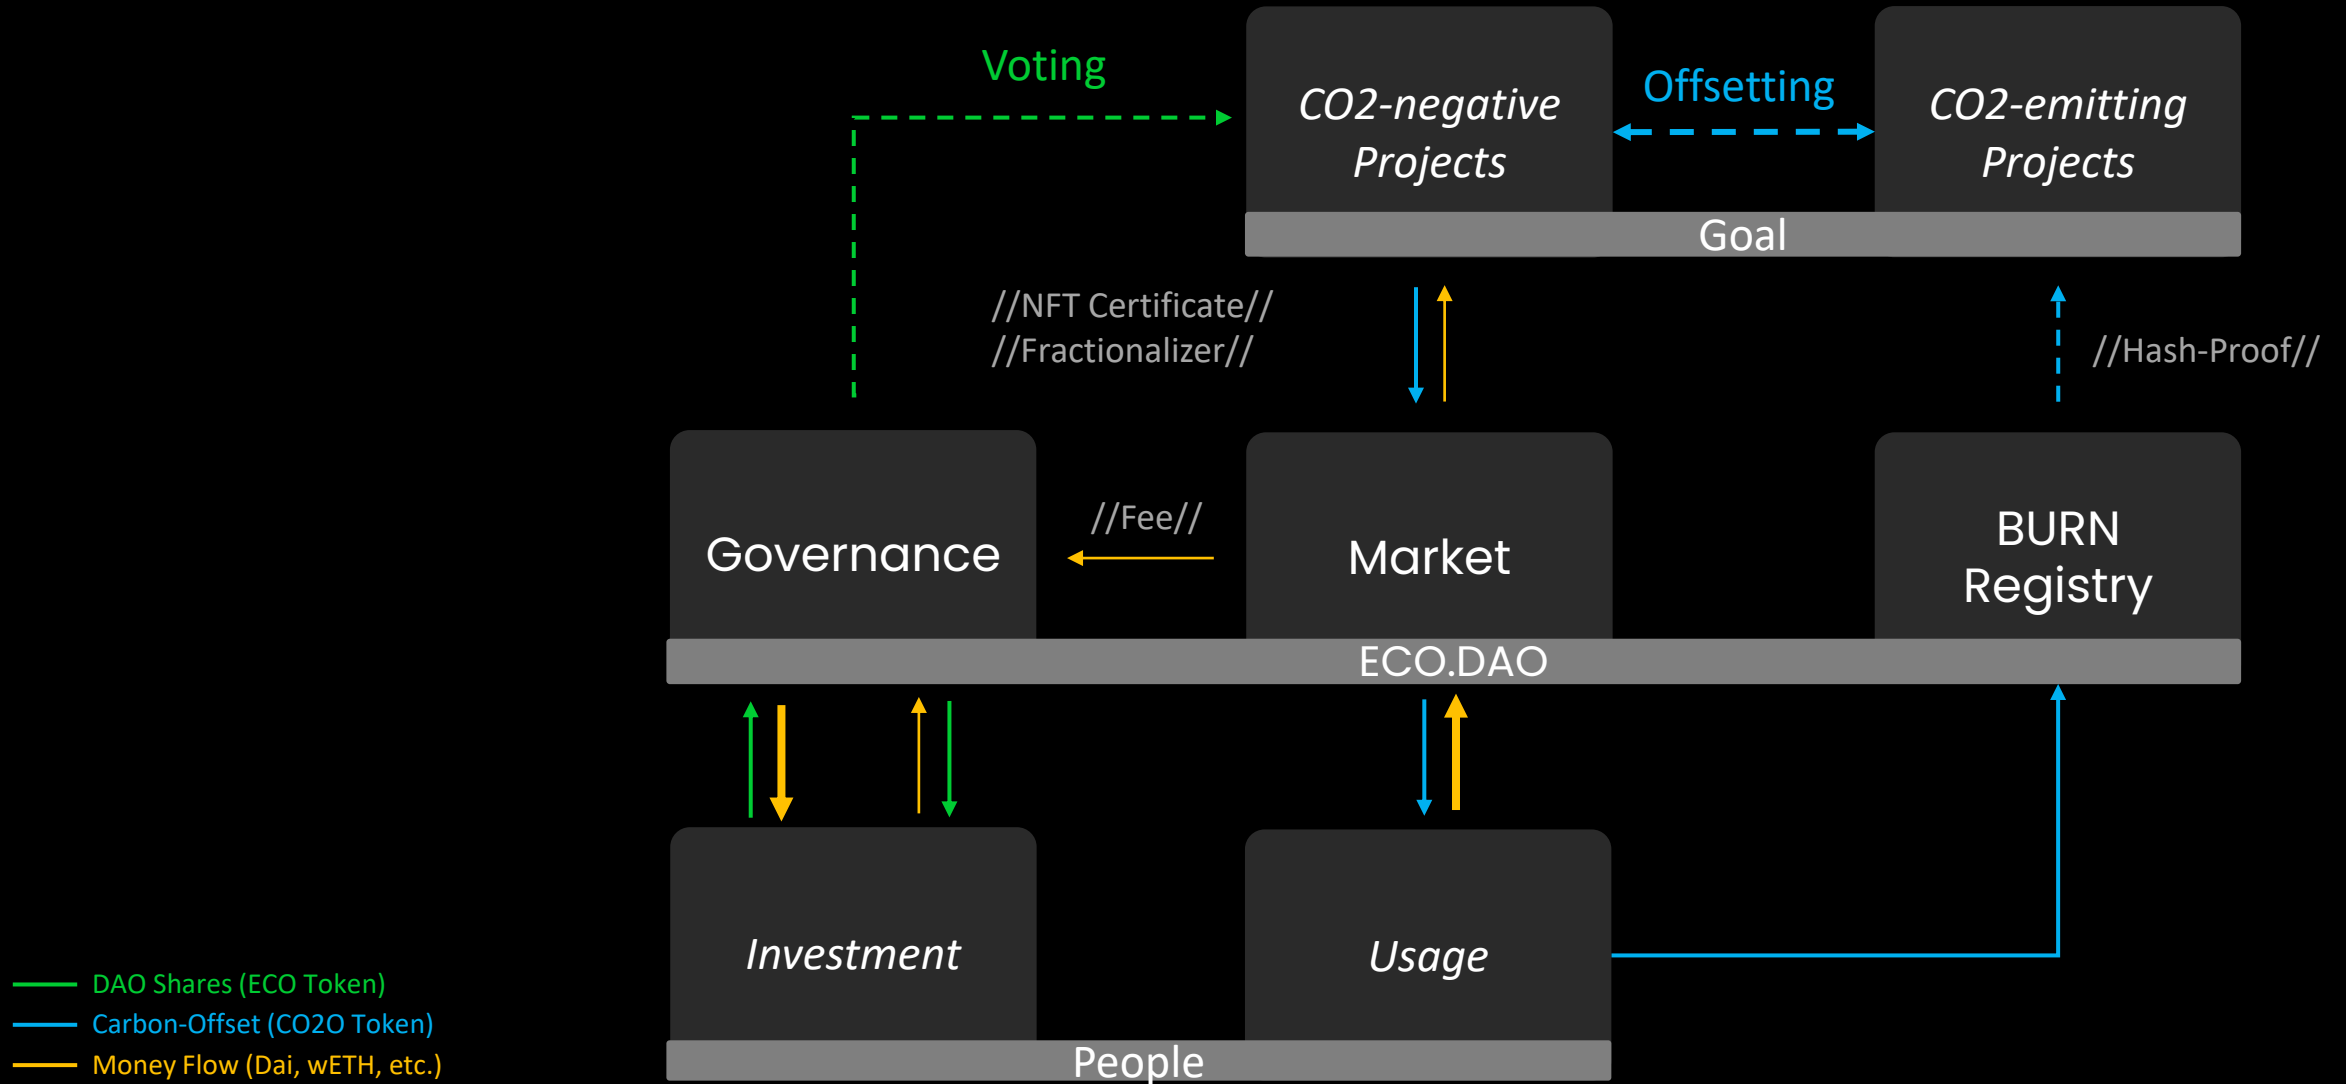

**ECO.DAO**

Fight climate change and earn rewards with ECO, a digital currency backed by real carbon assets.

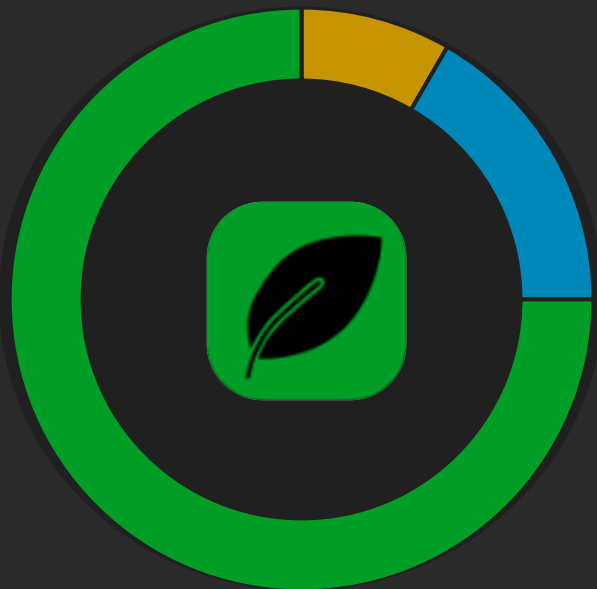

Get exposure to the growing carbon economy today. Acquire, stake, and get rewarded. Financial activism for the climate.

### ECO Shares Distribution

■ Developers ■ Sustainable Projects ■ Market

### // Market Incentives

Investors are incentivized to select only trustworthy CO2O Projects.

### // State Institutions

Respective state institutions can be granted Admin rights and/or more can acquire ECO voting power.
